Dear Scott

**US Patent Application 10/510,403
Of Richard Critten, et al
Your ref: 18305-002US1
Our File: P/43856.US01/PADL/RWP**

After many months of chasing our client regarding the missing Power of Authority and Assignment forms (**due today**), they have finally made contact. They have been having difficulty obtaining the missing PoA and Assignment forms from two of the five inventors.

The facts are that two out of the five inventors have left the company and are not replying to any of the requests to sign the forms. Our client has advised us that the requests have so far only been carried out using emails.

Following your conversation with Rhyann Probert, please file a petition at the USPTO alleging that our client has not been able to contact all of the inventors.

I shall contact my client again and request the evidence as well as the signed forms. I shall forward it to you as soon as I have the papers to hand.

CZM

Please confirm receipt of this letter by return facsimile.

Yours sincerely
